## MISSION STATEMENT

KL&S strengthens our community through the development of literacy, language and skills for adults and families.

## VISION STATEMENT

To create a world where everyone has the literacy and skills to achieve their full potential through access to education and employment, increased independence and community participation.

## 2013 – 2016 STRATEGIC PRIORITIES

1. Improve organizational sustainability with a focus on diversification of funding and operational improvements.
2. Develop innovative programming and services to respond to the changing needs of our clients and community.
3. Promote a healthy, cohesive work environment that includes staff, volunteers and board members.
4. Focus on defining and developing strategic partnerships and community development.
